# Davis County DMV moves to new location

Davis County Division of Motor Vehicles will move to 969 West Clark Street, Farmington, Tuesday, Oct. 9.

The DMV is currently located at the Davis County Courthouse. The new office is located in the vicinity of the Davis County Justice Complex and fairgrounds. Office hours are 8 a.m. to 5 p.m., Monday through Friday.

In addition to titling and registering vehicles, the new 5,470 square foot office features a drive-through for vehicle renewals. "In addition, customers waiting for service inside will now be seated, instead of standing in line," said Brad Simpson, DMV director.

The DMV continues to add online services to alleviate the need for citizens to visit the office personally. Most vehicle renewals can be completed online at [dmv.utah.gov](http://dmv.utah.gov).

Davis County is also the home to 16 "On the Spot" authorized renewal stations. These local emission and safety inspection stations perform one-stop inspection and registration renewal services. They are authorized by DMV to renew vehicles and issue decals with an updated registration.

Davis County owns the new building and leases it to the State of Utah. It was designed by Dave Robinson Architect and constructed by Brubaker Construction, Inc, both of Salt Lake City.

In conjunction with the new location, a ceremonial ribbon cutting will be held Monday at 1:30 p.m.
